## DIANETIC EXPANSION IN ITALY

### PIER PADERNI COMMENDED BY RON

PIER PADERNI of NOVARA ITALY is COMMENDED by RON for the excellent expansion of Dianetics he is producing in Italy.

Starting in Milano 3 years ago, Pier did tours in Cornedo, Brescia, Castenedolo, Vestone, Venezia and built what is now the group of Brescia with 15 auditors and 10 staff.

Pier moved onto the post of D/Dist Sec for Italy and started Novara as a small group. Novara now has 50 students fully paid for the HSDC.

Pier confirms that his successful action is to have as much Source with him at all times as possible, as this makes the job direct and simple, and guarantees success!

Pier has an active group of FSMs who operate on LRH policies, and they are dedicated to making Novara the first Clear City in Italy!
